V-P Ramblings

Submitted by
John Johnson

I'll quote the great Yogi Berra when he said "it's Déjà vu all over again". That is what this winter feels like. Here it is the first day of Spring and we are in the middle of another Nor'easter, the fourth one this month. Ironically, the last time I wrote an article, it was snowing. Are we ever going to be able to get the Corvairs out again? Of course the answer is YES, but with all this snow, it sure makes you wonder.

In the meantime, it is time to get them ready for another season of cruises. I just sent for antique tags for my '65, my '64 already has them. The main reason for this is to be able to skip state inspection and yearly tag renewal. Another reason is because Micah left Apple Ford in Red Lion and now works for Plaza Ford in Bel Air, MD so I am forced to find an inspection station that knows something about Corvairs. By the way, before Micah, I always went to Hash's Garage and Ron Hash took care of the cars. If you are reading this Ron, I need help installing a new master

cylinder on the '64, but not until it gets warmer.

I want to mention some future cruise information. On April 28th, Dave Steigauf has arranged a tour of a private collection so some high-priced classic and antique cars. Dave will have specific information about this in this newsletter. It should be a great day, thank you Dave. In May we are attending the Ranch Open House and in June we hope to participate in the Orphan Car Cruise. A few of us have done this cruise before and had a blast!!! This is a cruise where you will definitely need a navigator. The route begins in Jarrettsville, MD and ends south of Hanover. If you choose to have the meal, the restaurant is first-rate. Sandy and I have eaten there several times and our meals have never disappointed us. They have a web page, www.orphancartour.org If you have any questions, ask Ron Hash or myself, we both plan to participate.

I am sure the weather will soon change, so get those cars ready for another season. Until then, see you down the road.

28th Orphan Car Tour June 2, 2018

Maryland's Baltimore and Harford counties will be the setting of the 28th Orphan Car Tour on Saturday, June 2, 2018. Passing through areas such as Hunt Valley, My Lady's Manor and Worthington Valley, the tour's route will meander through villages and past horse farms, estates, and pastures. Drivers will receive printed directions so they can take the tour at their own speed, pausing at the various planned stops along the way. A late-afternoon dinner at Friendly Farms Restaurant in Upperco will cap the day's itinerary. A flyer with full details is available at the Orphan Tour's website, www.orphancartour.org <<http://www.orphancartour.org>> (press the "HOT" button). The website also lists updates to the tour schedule (if applicable) a full description of the tour, and its history. Further information is available from Jon Battle, (540) 364-1770, or tourdiretor@orphancartour.org.

The Orphan Car Tour is open to all orphan" (discontinued-make) vehicles at least 25 years old, and is maintained to encourage the driving enjoyment of all antique "orphans" It is sponsored by six local chapters of national "orphan" car clubs: Mid-Atlantic Packards (a region of The Packard Club), the Chesapeake Bay Chapter of the H-E-T Club, the Potomac Chapter of the Studebaker Drivers Club, the Potomac Ramblers (an affiliate of the AMO and AMCRC), the DeSoto Owners Club of Maryland, and the Keystone Region Chapter Inc. of the Studebaker Drivers Club.

48TH INTERNATIONAL CORVAIR CONVENTION

 **JULY 23-28, 2018** 

Hosted by **WESTERN PENNSYLVANIA CORVAIR CLUB**

Conventioneers,

The host hotel, the DoubleTree Hotel in Greentree, PA has 460 rooms. They are not blocking any for us. Instead they are releasing rooms as needed with no limit. If we take up the whole hotel so be it. As of today there are 167 rooms reserved. With that said, sometimes they are slow to release more rooms for our convention. This is at the corporate level, not the people in Greentree. We have run into this unfortunately before, but gets cleared up rather quickly. Usually a day or two. Hilton corporate says they will not take reservations if you call the front desk, the computer will show that there is no convention at all. That is why if you don't reserve online at www.corvairpittsburgh.com, or call there reservation line, 1-800-222-TREE(8733) and use code CCA, there may be a issue. If any other requests or problems exists please e-mail, call, or fill out the contact information on the website and I will surely get back to you.

Thank you,
Jim Weppelman

- ◆ There was a discussion on moving the Club, meeting back to the second Tuesday of each month, because of traffic. It was decided to return to our Tuesday meetings.
- ◆ It was announced that Norm Masenheimer's 65 Monza Convertible is for sale. The car has a 140 engine and is an automatic. The car is being sold by Norm's family,

April 28th Calvin High of High Industries Tour

Submitted by
Dave Steigauf

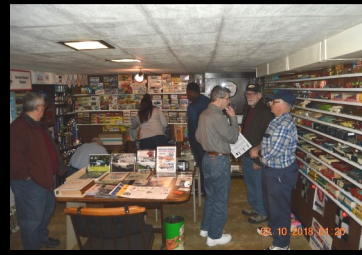

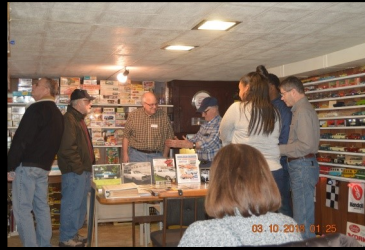

Do the names Duesenberg, Lincoln, Cadillac, Packard and Marmon have a meaning to you? Come with us on April 28th at 1 PM to tour the private collection of Calvin (Cal) High of High Industries in the Greenfield Industrial park to see this rare collection of vehicles. Cal has agreed to let us see his collection of "about 25 cars and a couple of airplanes ". I have only ever seen his Duesenberg, which I believe is a 1938 and it is a work of art. His Marmon is a very rare 16 cylinder vehicle which has been featured in the AACA national magazine.

We will be meeting at our old meeting place, the River Town Restaurant in Wrightsville beside the Dodge dealer on Route 462. Get off of Route 30 at the Wrightsville exit and turn south towards Wrightsville, turn right onto Route 462. The restaurant is a few hundred feet up the road on the right. If you are going to eat, be ready to go by 12:30.

To get to Cal's building at the East end of Lancaster. Take Route 30 to the Greenfield exit and turn left at the exit onto Greenfield Road. The turn is the same if you are coming from the east or west. Go a few hundred feet and turn left onto Independence Court just before the tracks, then an immediate left into the parking lot. There is a small bell tower in front of the building and the building has a green roof.

Hope to see you there. If you have any questions, give me a call at 717-898-7927.

*Joe,
Thank You
So Much!!*

We would like to thank Joe for having the Club over to his house to see all of his Corvair Memorabilia. What a Collection!
