**The Four Wheel Independent**

**HAPPY 4TH OF JULY**

**The Pennsylvania Corvair Club would like wish everyone a  
Safe and Happy 4<sup>th</sup> of July!**

*You have to love a nation that celebrates its independence every July 4, not with a parade of guns, tanks, and soldiers who file by the White House in a show of strength and muscle, but with family picnics where kids throw Frisbees, the potato salad gets iffy, and the flies die from happiness. You may think you have overeaten, but it is patriotism. ~Erma Bombeck*

## The President's Message

Submitted by  
JOHN Berkheimer

We just completed our tour to Muddy Creek Fork. The day was great even though it included a little liquid sunshine. Eight Corvairs made the trip and they were noticed wherever we went. I think John will be doing a little more on our tour.

**JULY 15<sup>th</sup>** is our picnic this year at the Berkheimer's house, 403 Dart Drive, Hanover, home phone 717-632-5617. We will supply the sandwiches and drinks. Joyce usually makes something for desert also. If you require something special to eat or drink please don't hesitate to bring it along. Everyone usually brings a covered dish for everyone to share. If you want to let us know what you will bring you can email me at [jhbmail1@comcast.net](mailto:jhbmail1@comcast.net) or call. If you decide at the last minute what to bring that is okay also.

Directions: **From North, Harrisburg Area:** Follow Route 15 to South Route 94  
**From Route 30, East or West:** At Cross Keys traffic signal go South Route 94  
**From South of Hanover:** At Hanover Square go North Route 94

Route 94 in Hanover coming from North 94 turn left at Dart Drive traffic signal (McDonalds on corner)  
 Route 94 in Hanover coming from South 94 turn right at Dart Drive traffic signal (McDonalds on corner)  
 403 Dart Drive is the 1<sup>st</sup> house after the 4-way stop signs.

We always have plenty of food. Not many people swim but please bring your children or grandchildren. They can be having fun in the pool while we sit around and talk cars or whatever. There are always plenty of watchful eyes keeping them safe. If you haven't been here before, the pool has a diving board and sliding board. I can guarantee the kids will have a blast especially if it is hot.

If you haven't joined us for any events this year, this will be a good relaxing one to start with. *Happy Corvairing*

<b>VP Ramblings</b>		Submitted by John Johnson	
<p>Another cruise is behind us and what a great cruise it was! Ron and Betty Hash did a great job planning our visit to Muddy Creek. We were again the center of attention. There were 8 Corvairs traversing the hills of Southern York County. We were in parade form and people would stop just to stare as we rode by. I got a first-hand view since I was at the end of the line. I lost count of the people who stared and waved as we passed. Even as we assembled at Home Depot, we had customers stopping on their way to the exit to give us a "thumbs-up" and kind remarks concerning our cars. It is amazing how much attention Corvairs generate from the public and how many new friends we make, just driving them. I also have a Corvette and sometimes travel in a group. I have never had as many people stop to comment on our Corvettes as people stop to comment on</p>	<p>the Corvairs. Corvairs always draw a crowd and produce smiles and positive remarks from people.</p> <p>Now to the specifics of the day. As I said before, Ron and Betty did a fantastic job setting this up. Muddy Creek Forks was a fascinating tour. From the museum tour to the roller mills, it was like a step back into history. The docents were extremely knowledgeable. They were so welcoming to our group and seemed genuinely pleased that we were there. The docent in the mill did an outstanding job relating how the mill operated along with the different types of flour produced. The part I remember most was the Cream of Wheat explanation. I have eaten that cereal since childhood and never realized that is a byproduct in the process of producing flour. The train ride was fun. I saw at least 2 deer along the water and several trout fishermen gave us greetings from the stream. I cannot imagine how</p>	<p>Labor and Industry would judge the seating on the train since it did lack a few safety features. Let's hope they leave them alone. I did see several people taking pictures of our cars while they were parked in the lot. After the tour, we took a scenic drive through the countryside, ending at a local restaurant for lunch. The food was good and we even had a chance to celebrate Carol and Dave's birthday with a small cake and a candle. Our singing may not have won any awards, but we brought smiles to our celebrates as well as the patrons in the restaurant. The last thing I heard, leaving the parking lot, was "beautiful cars" being shouted by the people standing there. Camaraderie, Corvairs and cruising, it doesn't get any better than that.</p>

## Vair Fair Winners!

Submitted by  
Linda and Jim Enfield

We attended our 4<sup>th</sup> Vair Fair, held in Lexington, Virginia, on Friday thru Sunday, June 2-4<sup>th</sup>.

We left two days earlier to visit some of the special attractions offered. We visited the Natural Bridge State Park, the Natural Bridge Zoo, Natural Bridge Caverns, the Monacan Indian Living History Exhibit, and the Virginia Safari Park, where Linda got to take one thing off her bucket list, she touched and fed a Giraffe (her favorite animal). We also visited the Cyrus McCormack Farm and toured the blacksmith shop, gristmill, and museum with the original mechanical reaper.

On Friday afternoon the Corvairs started to show-up. We had a Pizza Welcome Party at 6:00 p.m. and Corvair Games followed. Saturday morning the show field had 23 Corvairs entered to be judged. We entered our '62 Wagon. After the judging at noon we had a chicken barbeque dinner delivered to those who wanted them. The Hospitality Room was filled at all times with snack foods and drinks. Door prizes and 50/50 tickets were sold throughout the two days. A Road Rally was held in the early afternoon. About 5:00 p.m. the winners were announced on a screen with the winning cars and owners names.

We placed 1<sup>st</sup> - in our Class. After all Classes were read, the picture came-up on the screen of the "Best of Show" Car, The Ken Bunnell Memorial Award, (he was co-founder of Central Virginia Corvair Club), to our surprise, the picture was our wagon. We were totally honored to win that award. The theme for 2017 was: Heaven in a 67 (for the 50 year anniversary of the 67 model Corvair).

We had a GREAT TIME. A well -run show with a lot of GREAT people.

## Get a Taste of the Track with NECC!

Submitted by Alan Lacki  
Lehigh Valley Corvair Club

You probably have read and heard about the Northeast Corvair Council (NECC) Time Trials. Have you ever wanted to know what time trials are all about? Put off by the thought of having to buy a helmet and new seat belts?

Well, here's your opportunity to get a full view of the day's driving experience. The NECC team will lead you through all the facets of what the driver does. No need to buy helmets and belts. All you need is the desire to have an interesting and fun filled day.

You'll sit in on our drivers meeting, learn about corner workers and flags, and have an opportunity to be a pit marshal if you so desire. During the day, you'll see the track from all the corners and the start finish. You'll learn how we time the cars and post results. In fact, we encourage you to help with timing and scoring.

The best part will be the opportunity to see the track from a driver's view. We'll send you out on the track with your own car. Following a pace car, you'll be able to experience the thrill of cornering and the experience of the long straightaways. It may even be possible for you to get a ride with one of our qualified drivers.

So join us and get a Taste of the Track. (All participants must either be eighteen+ years old or sixteen with written parent/guardian permission.).

### How Do I Sign Up?

We'll be offering our next "Taste of the Track" at Pocono Raceway on **Sunday, July 16**. Visit our website at [www.neccmotorsports.com](http://www.neccmotorsports.com) and click on "Registration". And for more information, you can call or contact Brian O'neill at 973-729-5586 or "[bmoneill@juno.com](mailto:bmoneill@juno.com)"

## Spend a Day at Pocono Raceway with Us for Free!

Submitted by  
Alan Lacki and Brian O'Neill  
Lehigh Valley Corvair Club

Are you interested in fast cars and high-speed action? Then this is for you! The Northeast Corvair Council (NECC) is looking for corner workers for its upcoming track day at Pocono Raceway. You'll get to spend the day with us performing a valuable service while watching Corvairs and other makes run hot laps on Pocono's South Course. And of course, there is no admission charge. The date is Sunday July 23.

What's a Corner Worker?

Corner Workers are stationed at various points around the race track and are responsible for observing and monitoring track conditions and communicating with drivers by using flags to warn of track conditions and provide assistance in case of any collisions, accidents or track problems. Duties include:

- \* Observe and assess track surface conditions.
- \* Provide information to drivers using racing flags and signals. (We'll teach you).
- \* Observe competitors for driving behavior and their cars mechanical condition.
- \* Help drivers and others in an incident.
- \* Communicate information to radio tower, stewards, and emergency medical responders. (We'll lend the walky-talkies to you).

Interested? We thought so! Send an email to Brian O'Neill or give him a call to let him know you're coming. We anticipate a sunny day, so bring your sun-tan lotion and a floppy hat!

## You Shop...Amazon Gives!

Submitted by Rod Murray  
Western Pennsylvania Corvair Club

You Shop. Amazon Gives!

Hello Chapter Members & fellow Corvair Enthusiasts,

I want to pass along some important information for anyone who uses Amazon for their online shopping. Did you know that Amazon offers a charitable program that donates money from every sale back to designated 501c3 charity groups? It's true, it's easy to use, and it's no cost to you! It's called Amazon Smile, and it works just like Amazon, but uses a different access link and only requires users to designate their select charity.

The link is <https://smile.amazon.com/> if you want to take a look and/or pre-load your designated charity...may I suggest Corvair's own 501c3 non-profit arm, the CORVAIR PRESERVATION FOUNDATION?!

To be fair, Amazon Smile's donation of .5% for every sale may seem small, but every penny adds up, and the greater the level of participation, the greater the value to the CPF!
