CORSA NEWS

Happy 2023! Let's make this the year to get your Corvairs out on the road to be seen and enjoyed. Watch for car shows and events where you can take your Corvair to show it off. Every Corvair is a great car to share with the public! Every car is a way to promote Corvairs.

- Start your 2023 planning to attend great events that will be held throughout the year. Events start as early as February in Florida. There is one almost every month where you can show off your car, visit Corvair friends and shop for parts. Be sure to check the Events page on the website. And if you are hosting an event, please list it soon! Current and Upcoming Events (corvair.org).
- Don't Forget: You still have a couple of days to donate to the Corvair Preservation Foundation, a 501c3 organization, and gain tax benefits for charitable contributions. Of course, we welcome donations any time of the year. It's easy- and can be done here: Support our Corvair Causes.
- Check out the latest video from the December 15th Meet Up Zoom call with guest presenter, Richard Lentinello at <https://youtu.be/iYTyFwxgSjM>. You will hear Richard's thoughts on Corvairs and vintage car collecting. He also talks about his new magazine, Crankshaft, and why he wrote "Corvair Style". Subscribe to the Corvair Society of America YouTube channel to get notifications of new videos. And all the previous videos are on this channel.
- Meet Ups in 2023 will be held as presenters are available. If you are interested in presenting, contact corsamembership@gmail.com.
- International Corvair Society of America Convention is in the Wisconsin Dells June 19th - 24th, 2023. Time to start planning for a great event! It will be held at the Chula Vista Resort- check it out here: Chula Vista Resort: Wisconsin Dells Water Park Resort & Hotel There are many room choices, lots of parking, and beautiful, scenic drives. You can find the information to book rooms here: CORSA Headlines (corvair.org) To book rooms, you must call the hotel. Registration for the convention will open in April but book those rooms now!
- Show us your winter projects! Show us your winter drives! Post your pictures to [corsa_corvair_official](https://www.instagram.com/corsa_corvair_official) on Instagram and let us see how you are spending your winter getting those cars ready for driving. We also want to see those Corvairs on the road in winter sun or snow too! Corvairs are for all seasons.

Moist & Sweet Cornbread

Submitted by Carol Trimper

This cornbread is delicious! My family always requests it when I am making soup.

INGREDIENTS:

- 1 1/3 cup All-Purpose Flour
- 2/3 cup Cornmeal
- 2/3 cup Sugar
- 1 Tbsp Baking Powder
- 1/2 tsp Kosher Salt
- 1 1/4 cup Milk
- 1/4 cup Oil
- 2 Large Eggs
- 4 Tbsp Unsalted Butter, melted (plus extra for the pan if making skillet cornbread)

INSTRUCTIONS:

- Preheat the oven to 350 degrees, mist a 9x13 pan with nonstick spray and line with parchment. (If making skillet cornbread, place about 1 1/2 tablespoons of butter in the pan and allow it to preheat in the oven.)
- In a large bowl, whisk the flour, cornmeal, sugar, baking powder, and salt together.
- Whisk the melted butter, milk, oil, and eggs together in a large liquid measuring cup.
- Pour the liquid ingredients into the dry and stir together until combined.
- Transfer the batter to the prepared pan and bake for 35 - 45 minutes, or until fluffy and slightly golden around the edges. A toothpick inserted into the thickest part of the cornbread should come out clean or with a few moist crumbs.
- Cool for about 20 minutes then cut into slices and serve.

NEXT MEETING

Do you have an idea of an event we can do as a group?

Come to the February 14th meeting and share your ideas for an event in 2023. This year, a core group will review and determine ideas for the club. The group will consist of Officers, Board Members, and a few Club Members. If you are unable to attend this important meeting, please send your ideas to JOHN at email: jhbmail1@comcast.net. If you prefer, your ideas will be kept anonymous.

Level Your Engine

Submitted By
Lou Trimper

Taken from San Diego Corvair Club "Vair Tips" Tip No: 5-1-81 dated 1981

Does the left side of your engine droop? Does the perimeter seal look horrible? Well, try this:

- Take the left (or right-if you have a weird engine) rubber mount out.
- Trim off the rubber as shown,
- Put in vise and saw off the exposed collar. (Not the bolt, of course.)
- Replace your modified mount and presto, the droop is gone and your engine is now level.

Carburetor Year Identification

Taken from the Internet North Texas Corvair Association Website

In reworking so-called matched pairs of carburetors, it was found that more mismatches so atrocious that it can only leave one laughing. Below is a quick guide which can be used to very quickly identify what you have or might be shopping for:

- **1960** - Very obvious as this year has no choke valves, choke shafts, or provisions for either.
- **1961** - Easily identifiable. This is the only year that has external manual choke linkage. It has no choke vacuum brake diaphragm unit.
- **1962-63** - Has choke vacuum brake diaphragm unit, but no idle vent valves.
- **1964 (early)** - Has choke vacuum brake diaphragm unit, idle vent valve, but no power enrichment needle.
- **1964 (late)** - Has choke brake vacuum diaphragm unit, idle vent valves, and includes power enrichment needles.
- **1964 (general)** - The exact difference between early and late 1964 carburetors is easily identifiable. However, the exact date, model, or serial number for this change is at best difficult and should only be determined after closer examination of the carburetor as described in chapter 4, CORVAIR CARBURETORS by Red Jackson; published in 1980.
- **1965** - Has choke brake vacuum diaphragm unit, idle vent valves, and power enrichment needles. The differences between late 1964 and 1965 is best determined by examination of internal differences.
- **1966-69** - Has choke brake vacuum diaphragm unit, idle vent valves, power enrichment needles, and pollution control valves. Yes, 1966 was the year of the air pump for California cars and was followed closely by most states. This valve is easily identified by looking directly down into the body and bowl assembly and can easily be seen at the forward edge of the venturi portion of the casting. It should be noted that some 1965 forward control Corvairs also had a similar type valve which served basically the same purpose of increasing the air/fuel ratio or leaning the fuel mixture.

After Christmas Party January 7, 2023

HAPPY NEW YEAR to everyone! The first meeting of 2023 was held on January 7th at Perkins Restaurant in Hanover PA.

JOHN Berkheimer called the meeting to order at 3pm. He introduced Tom Rahochik, President of Mid-Maryland Corvair Club. Tom distributed a copy of the 2022 Convention Schedule to all members. He then proceeded to share with everyone about the 2025 Convention being held in

Gettysburg, PA. Discussions were held on location of event, hotels, core groups, zoom meetings, and club participation. The Corvair Ranch is planning to have an event the week of the Convention. Additional details will be shared at a later date. If you would like to learn more about the 2025 Convention, please feel free to contact JOHN Berkheimer (info: see Page 2) or Tom Rahochik 240-285-5449 or email at66vairman@comcast.net.

New Business:

- The Treasurer gave his report:
 - ◆ Our yearly donations:
 - ◇ The Salvation Army in York, Harrisburg and Lancaster in the amount of \$100.00 each.
 - ◇ Sgt Mac Foundation in the amount of \$50.00.
 - ◇ Pennsylvania Wounded Warriors in the amount of \$100.00.
 - ◇ A \$100 donation from the club with an additional \$80 from club members was donated to the Corvair Preservation Foundation (CPF). This will be used to help with the restoration of the one and only Shriener Greenbrier Van in progress.For those of you that are new to the club, this is an annual event for the club to give back and help out those in need.
 - ◆ Two bills were paid:
 - ◇ \$120.00 to Carol Trimper for software package to publish monthly newsletters.
 - ◇ \$120.00 to JOHN Berkheimer for renewal of website "Squarespace."
 - ◆ Membership Renewals.
 - ◇ 2022 Memberships Expired on December 31, 2022. There are 17 club members that have not renewed. Deadline for 2023 membership renewal is February 1, 2023.
- JOHN Berkheimer shared that he had received a call from Titus Stewart from Florida to inform us that Clark's Corvair Parts 50th Anniversary event is scheduled for the same date as our Corvair Day in September. He was concerned that many people may attend the Clark's event instead of Corvair Day.
- The February 14th club meeting will be a Planning Meeting.
 - ◆ Members are asked to submit ideas for 2023 events.
 - ◆ A Core Group will be formed consisting of officers, board members, and other members. All ideas will be submitted and the group will discuss each event.
 - ◆ ANY AND ALL IDEAS are requested from club members.

Club members participated in the Christmas gift exchange.

Meeting adjourned.

President's Message

Submitted by JOHN Berkheimer

Deadline: February 1, 2023

Submitted by Dave Steigauf

Annual dues are \$16.00 per year or \$30.00 for two years. This membership runs from January 1 thru December 31 of each calendar year. Membership deadline is **February 1, 2023**, but it's still not late to renew.

This year, we are asking (not requiring) for members that wish to have their newsletters mailed to donate an additional \$5.00 to help with the cost of mailing and printing supplies (paper, ink, postage) needed to mail the newsletter.

We don't take your membership in this club for granted and are deeply grateful for the support of every member. A special "Thank You" for all you do through out the year in supporting our club and now go get that checkbook and renew today! Don't wait!

Instructions for Renewal:

- Fill out CPCC Membership application form (on page 11).
- Enclose your check for renewal or new membership within the CPCC Application form.

Mail to:
Dave Steigauf
599 Westfield Drive
Landisville, PA 17538

A reminder that while membership in CORSA is not a requirement for new membership or renewal in CPCC, we do strongly encourage supporting of the national organization. They work to support our local efforts through an event liability insurance policy along with many other benefits. Check out their website to see valuable benefits of being a member of CORSA.

If you have any questions about your membership, please feel free to call Dave at (717) 898-7927 or email him at davescorsa@gmail.com.

This is a friendly reminder to the ones listed below.

We started 2023 somewhat back to normal with our Holiday Party at the Perkins in Hanover. I believe everyone had a nice time. After most were finished eating, Tom Rahochik, President of Mid-Maryland Corvair Club talked about having the 2025 CORSA Convention in Gettysburg. He is asking for our club to be involved in the planning and running of the convention. It requires 4 or 5 clubs to run a convention. He is putting together 10 to 12 people as a core group for the early planning. The group he hopes will consist of the Presidents of the clubs involved as well as people that have been involved in previous conventions. We will meet by zoom and next meeting will be February 2nd at 7:00 PM. I have agreed to be involved. When we start getting closer to the convention we will be putting together committees for various parts of the convention, at that time we will be looking for volunteers. We then had our gift exchange which went well. Linda also had some of her great fudge to pass around. I believe Dave was in front of the line.

We will be starting 2023 with a planning meeting at Hoss' in York, February 14th, the 2nd Tuesday in February. We meet at 5:30, eat and socialize; meeting will start at 6:30. The meetings never last more than one hour. If you cannot attend the meeting and have ideas for a tour, cruise or event, please email information to me a few days before the meeting. We will consider all ideas.

I was late getting the mailed copies of the newsletter out last time. I had cable issues with my computer but the main reason was the printer. The printer was less than two years old but I decided to get a new one. I got one that was recommended to me by Staples, hopefully it will do a better job than last one.

Happy Corvairing,

Bring your "Valentine" to Hoss's Restaurant for a Valentine dinner and enjoy time with friends at the Club meeting.
