**MUDDY CREEK FORKS TOUR
SATURDAY, JUNE 17TH!**

This photo is of downtown [Muddy Creek Forks](#) in southeastern York County in 1907. As the photograph shows, not much has changed. In fact, the village has been artfully restored, and Ma & Pa Railroad buffs offer excursion rides. The A.M. Grove country store is the village's focal point. "Little has changed since the store closed in 1983, so a visit there is a step back in time," a [ydr.com story](#) states. Jerry McCloskey, head of the Ma & Pa Railroad Preservation Society, said in that story: 'People look at the things in the store and say "wow, I remember when my dad had one of these, or my grandpa talked about one of these." The older people say "I remember when I had one of these." Also of

interest: [Discovering Muddy Creek Forks](#). More information on our upcoming tour can be found on Pages 3 and 5.

VP Ramblings		by John Johnson	
--------------	--	-----------------	--

I would, first of all, like to thank everyone who joined us on the Cruise and tour of the Battlefield of Gettysburg on May 6th. The weather did not “dampen” our day. Eight Corvairs and 2 water pumpers assembled at the Ranch that morning. The tour lasted until 1:00 PM; we then had lunch and journeyed home. Since we did not nearly finish the intended tour, it was decided to perhaps, continue the outing at a later date. That possibility will be discussed at an upcoming monthly meeting.

I would now like to give some information on our next Cruise. On Saturday, June 17th Ron and Betty Hash have prepared a cruise to some of the less traveled areas in Southern York County with our first stop at Maple Lawn Farm, home to their own winery, ice cream shop, fruit market and bake shop. We will then travel to Muddy Creek Forks to take a train ride and tour the historic grounds. Last, but not least, we will have lunch before heading home. The plan is to meet at Home Depot in Shrewsbury, PA at 9:30

AM. We will assemble in the eastern corner of their parking lot, away from the main entrance. We will then caravan to Muddy Creek Forks, do the tours and train ride then have lunch around 1:30 PM outside of Delta. Ron and Betty have provided a specific schedule, of the days’ activities and it is included in this Newsletter. Directions to Home Depot are listed below:

From Hanover: Follow Rt 216 East to Rt 851 East (1st stop sign past Codorus Park). Continue on Rt 851 through Shrewsbury and travel “under” I-83. At the 2nd light **AFTER** going under I-83, turn left into Stonebridge (Cracker Barrel on your left). Turn left at the first street past the Cracker Barrel entrance. The entrance to Home Depot is at the top of the hill. We will be on the left when you enter the parking lot.

From Red Lion: Take Rt 24 south towards Stewartstown. Take the first right, 100 yards past Winterstown Fire Company then drive 50 yards and turn left on Mt Olivet road. Follow Mt Olivet Road, 4

miles to a 4-way stop intersection. Turn right onto Plank Rd travel 1 ½ miles to the second road on your left and bear left (“Y”) onto Mt Airy Rd. Travel 100 yards and turn left onto Wolfe Road. Follow Wolfe Road 2 miles to the stop sign. Turn right onto Far Hills Drive, Home Depot is on your right.

From Lancaster: Take I-83 south to Exit 4. Turn left onto Rt 851 East and go to the 2nd light turn left into Stonebridge. Take the first road past the Cracker Barrel entrance and turn left to Home Depot, on your left. You could also take the Rt 24 exit off US 30 and travel south through Red Lion to Winterstown and follow the Red Lion directions.

Home Depot’s address is:

960 Far Hills Drive
New Freedom, PA 17349

Let’s hope Mother Nature is more sympathetic this time and gives us sunny skies and warm temperatures.

The Maryland and Pennsylvania Railroad, affectionately known as the Ma & Pa, connected Baltimore and York on a narrow-gauge line that traced a meandering, scenic 77-mile route. In the days before modern highways and automobiles, it was an indispensable link between rural communities and the outside world. The village at Muddy Creek Forks sits along the railroad line. It is being preserved as an example of a typical railroad community in the steam-engine era. A project of the Maryland & Pennsylvania Railroad Preservation Authority, it depicts what it was like to live in the 'Forks' in 1915. Many buildings survive from that era. Work continues on restoration of the general store, post

office, roller mill, grain elevator, farm buildings, creamery and a 1900 railroad station.

Come with us to visit the authentic circa 1900's historic Ma & Pa Railroad Heritage Village at Muddy Creek Forks in York County, Pennsylvania.

What to Do at the Heritage Village:

- ⇒ Take a Walking Tour
- ⇒ Ride the Train
- ⇒ Explore Village Buildings
- ⇒ Go Geocaching
- ⇒ Shop at the Store
- ⇒ Experience a Special Event
- ⇒ Plan a Field Trip

You can tour the A.M. Grove general store and see how a nearly 100 year old elevator works. Listen to our player piano while you view the many items from the past. Also tour the many exhibits of the Maryland and Pennsylvania Railroad along with visiting our train station, post office, telephone exchange, authentic cash register, and grand staircase. Refreshments along with souvenirs and gifts are for sale. You can also tour our

grain elevator, roller mill, and view other outbuildings: scale house, corn cribs, barn and cannery ruins. They have an original Ma & Pa caboose along with our recently acquired EMD diesel #82.

In addition, there are train rides on the maintenance train. Picnic tables are available along with a large wrap-around porch to just sit and enjoy the scenery. Near by is the Wallace-Cross Mill. One of the few water-powered grist mills remaining in York County. Along with the mill, there are nearby the famous Maple Lawn Farms Orchard and Corn Maze Park. Just down the road are many wonderful eating establishments.

So, come and spend a relaxing Saturday morning making memories with your Corvair Club by visiting Southern York County, Pennsylvania.

Corvair Profiling - Astrological Viewpoints

by Paul Miller

I read them and I am sure, on occasion, you read them too. Occasionally, these daily features in the newspaper provide a glimpse into our lives & put a smile on our faces. What is it? The daily horoscope column. Now as Corvair owners we are often profiled- sometimes good, sometimes bad. Here is what ***your Astrological sign profile*** might be with a Corvair twist.

Zodiac Sign	Zodiac Sign
<p>Aries Mar 21-Apr 19 THE RAM Known to be brave, independent, assertive. Sounds exactly like the perfect Corvair owner. Holds their own in arguments with other "motor heads" about the merits of the Corvair. Takes the less traveled road. Never afraid to try new repair methods or techniques- accepts the outcomes with humility.</p>	<p>Libra Sep 23-Oct 23 THE SCALES Irresistible, adventurous, lavish, indecisive. Like the light that burns brightly this potential Corvair owner has a BIG collection of Corvairs (at least 5 or more) but can't seem to keep any of them running. Said another way, too much disposable income not enough focus.</p>
<p>Taurus Apr 20-May 20- THE BULL Good taste, down to earth, pleasure seeking, sensual. The anti thesis of a Corvair owner- probably should be driving a broken down Porsche (aren't they all). Help a Taurus see the light of Corvair ownership.</p>	<p>Scorpio Oct 24-Nov 21 THE SCORPION Powerful, self reliant, wise, dominant. Often called Mr. Autocross. Knows his/her way around the nuances of the Corvair and how to get the most out of the car. Befriend such a person as best you can- your Corvair will love you for it.</p>
<p>Gemini May 21-Jun 21 THE TWINS Dynamic, two faced, somewhat mischievous. Not a great Astrological sign for a Corvair- but being two faced allows one to own an air cooled car & a water pumper. Befriend them? Flip a coin to decide - they're used to it- that is why they are called "Twins".</p>	<p>Sagittarius Nov 22-Dec 21 THE ARCHER Open minded, achiever, cold, insensitive. A soulless person who should not be considered for any Corvair club or function. Run and hide- you can thank me later.</p>
<p>Cancer Jun 22-Jul 22 THE CRAB Sensitive, friend oriented, hates to argue, forgives but doesn't forget. Yep, a Corvair owner or potential owner for sure. I know some Corvair "Cancer" owners who will hold grudges for years, even decades. Won't get issues out in the open but once a friend always a friend, once an enemy...</p>	<p>Capricorn Dec 22-Jan 19 THE GOAT Hardworking, straightforward, loyal, stubborn.</p> <p>Here is a Corvair owner par excellence. Doggedly tracts down Corvair problems, deals with issues honestly & stays true to the uniqueness that Corvair's represent. A true Corvair Renaissance Man.</p>
<p>Leo Jul 23-Aug 22 THE LION Creative, popular, faithful, too much pride. An aggressive person who owns a great Corvair and is literally willing to fight someone if they say different. However, can be a great help fixing that blown belt or hanging tough when you have a breakdown.</p>	<p>Aquarius Jan 20-Feb 18 THE WATER BEARER Sets trends, innovative, eccentric.</p> <p>A Corvair owner with a potential schizophrenic problem- all the descriptors are right BUT it is the sign of the "water bearer" - the key feature of the Corvair being air cooled. Corvair owning Aquarians seek help as best you can.</p>
<p>Virgo Aug 23-Sep 22 THE VIRGIN Successful, creative, clever, leads others. Another "perfect" Corvair match. This Corvair owner not only keeps a great car but inspires those around him/her to do likewise. Seek their membership in any & all clubs. "We aren't worthy of such a person."</p>	<p>Pisces Feb 19-Mar 20 THE FISH Alluring, free, sensual, must be in a team. Tough call here. Corvair owners are tight wads- for sure- so free is good. Team play is catch as catch can- some are, some aren't. Potentially, one of the very few handsome Corvair owners. Known to wear silk garments.</p>
