The Corvair Society of America (CORSA)

“Founded in 1969 by and for those who still appreciate the Corvair automobile”

Central Pennsylvania Corvair Club strongly encourages all members to become members of the Corvair Society of America (CORSA). Anyone with a fondness of the Corvair automobile will benefit from CORSA membership. In addition, we will all benefit by maintaining a strong national presence to lobby our interests and organize our collective purposes.

PLEASE do not overlook the potential value of a CORSA membership. Try it out. Your first year will cost only \$45. If you share our enthusiasm for these superbly engineered and styled cars, why not join our Society today? Domestic dues are only \$45 for 1 year/ \$90 for 26 months (two months free!) We are sure you will find it a worthy and rewarding investment!

Visit: <https://www.corvair.org/index.php/documents> to register online.

The President's Message

Submitted by
JOHN Berkheimer

Our Red Lion Water Treatment Plant on August 19th included nine Corvairs and 16 members. Keith did a fantastic job of showing us the inner working of a water treatment plant, in their recently completed up-to-date facility. It was amazing to see how it is done, we usually turn on the faucet and don't have any idea what it takes to get it to every house. Thanks for the tour Keith. It was nice to see Paul & Joyce Ilyes, a club member since the 80's. I had met them once before when they stopped in Hanover to see my Christmas train display. Paul, Joyce, Keith, and his daughter were involved in moving a newly restored full size Caboose to it's new home along Main St. in downtown Red Lion. On our way to lunch at the Lion's Pride we got to see the Caboose. Curt, our weather guy, did a great job with the weather. Thanks Curt.

CORVAIR DAY - September 23rd is approaching very fast. It is time to get the registrations forms completed and mailed to Sandy Holmes. Her mailing address is at the bottom of the form. Don' forget NO MEETING at Hoss's in September. We usually try to have a short meeting after everything is torn down and we are ready to head to the banquet. The only thing we may need to talk about is a reminder of the October meeting and our October Gettysburg Tour. *-Happy Corvairing*

All Chevy and Truck Nationals

Submitted by
Linda & Jim Enfield

The all Chevy Nationals was held on the Carlisle Fairgrounds, 23-25 June 2017. Only four Corvairs were registered this year. We took home first place with our Rampside and second with the wagon. Mike Slotwinski (who comes to Corvair Day) won third place with his Rampside. Our Club President, JOHN Berkheimer, won second place in the Nova Class (featured car this year) with his late Mothers' car which is a really nice car. We had a great weekend.

The All Truck Nationals was held on 4-6 August 2017. We took home two first place trophies for our Corvan and Jim's work van with 185,500 miles on it! A really GREAT show. There were 1,500 registered trucks on display. The fifth BEST SHOWING in their 30 years. We always have a great time.

When Was That Tire Made?

Tire Manufactured Since 2000

Since 2000, the week and year the tire was produced has been provided by the last four digits of the Tire Identification Number with the 2-digits being used to identify the week immediately preceding the 2-digits used to identify the year. Example of a tire manufactured with the current Tire Identification Number format:

In this example above: DOT U2LL LMLR **5107**
51 indicates the 51st week of the year in which the tire was manufactured.
07 indicates the year 2007 the tire was manufactured.

ROTINI WITH CHICKEN MARSALA RAGOUT

By Trisha Yearwood-Food Network
(Received 5-star Rating)

Total: 1 hr 20 minutes
Active: 40 minutes
Yield: 4-6 servings
Level: Easy

INGREDIENTS

6 boneless, skinless chicken thighs (about 1 1/2 pounds)
Kosher salt and freshly ground black pepper
2 tablespoons olive oil
1 pound sliced white button mushrooms
1 medium sweet onion, chopped
3 tablespoons all-purpose flour
1 garlic clove, minced
1 cup dry Marsala
1 cup chicken broth
1 pound rotini pasta
1 tablespoon chopped fresh flat-leaf parsley
Grated Parmesan or pecorino, for serving

DIRECTIONS

- Pat the chicken thighs dry and season with 1 teaspoon salt and a few grinds of pepper. Heat 1 tablespoon of the oil a large skillet over medium-high heat. Add the chicken and cook, turning once, until golden brown on both sides, about 8 minutes total; transfer to a plate (the chicken will not be cooked through).
- Add the remaining tablespoon oil and then add the mushrooms and 1/2 teaspoon salt. Cook, stirring occasionally, until the mushrooms release their liquid and turn golden brown along the edges, about 8 minutes. Add the onions and continue to cook until the onions are softened, about 5 minutes.
- Sprinkle the flour and garlic over the vegetables and cook, stirring, 1 minute. Add the Marsala and bring to a simmer. Simmer until the Marsala reduces slightly, about 3 minutes. Add the chicken broth and bring to a simmer. Return the chicken and any collected juices to the skillet, cover, reduce the heat to medium low and cook until the chicken is cooked through and tender, about 30 minutes.
- Bring a large pot of salted water to a boil.
- When the chicken is cooked, transfer the thighs to a cutting board and increase the heat under the sauce to medium high. Boil until slightly thickened, about 6 minutes. Meanwhile, coarsely shred the chicken using 2 forks. Return the shredded chicken to the skillet and keep warm.
- Cook the rotini in the boiling water according to the package directions.
- Serve the rotini topped with the chicken ragout. Sprinkle with parsley and serve with the grated Parmesan or pecorino.

If you have a recipe that you would like to share, please email to Carol Trimper @ lcl@pa.net.

High Performance Oil Filtering Tip

Fram Oil Filter—Would you like more oil filtering capacity? Try a H.P. 4 (High Performance) Fram filter recommended for racing engines. Now for Catch 22, it may not fit your late model and definitely will not fit your early. But the answer is in the adapter for air conditioned models which allows the filter to be mounted horizontally with plenty of room.
